KOPA HIBACHI & YAKITORI

Our goal was to create a portable grill that is beautiful in design, performs well, is robust to survive the hardships of professional kitchen and can be taken everywhere and be used anytime.

KOPA HIBACHI & YAKITORI FEATURES & ATTRIBUTES

- ★ Table-side grilling
- ★ Grill grid bars and fire pit walls made from heavy duty refractory steel for durability
- ★ Fire pit hangs from 8 bolts so stainless steel frame remains cool to the touch longer
- ★ 5mm thick fire pit walls radiate back loads of energy for even grilling
- ★ Can be placed on standard table top surfaces
- ★ Optional robatayaki rack to add 4 more levels
- ★ Portable at just 57lbs, use anywhere
